

**contig\_11 (74,025 bp) — Virgibacillus salarius PL25 conjugative plasmid**  
**geNomad plasmid score = 0.989 • 99 CDS • closest characterised relative: Ornithinibacillus contaminans (57–67% id)**

Independent Prokka annotation • HMM panel: 21 Pfam profiles (T4SS / relaxase / integrase / M23) • BLAST vs NCBI nr confirms conjugation machinery on minus strand.
